Welcome Message

Dear colleagues and friends,

We are most delighted to announce that the 18th Regional Osteoporosis Conference (ROC 2017) will be held on 6-7 May 2017 at the Hong Kong Convention and Exhibition Centre.

Riding on the great success of the past Regional Osteoporosis Conferences, this year the Osteoporosis Society of Hong Kong (OSHK) is honoured to co-organize the Conference with The Hong Kong College of Family Physicians (HKCFP).

The theme of this year’s Conference is “Advancing the Management of Osteoporosis in the Community”. The Organizing Committee of ROC 2017, chaired by Dr. Joanne LAM, has been working hard preparing an attractive scientific programme. Renowned local and regional speakers will join together to share their experience and deliver state-of-the-art lectures in various aspects related to osteoporosis, including screening, drug and lifestyle management of osteoporosis in the community, the role of family physicians, secondary prevention of fragility fracture, and the management of osteopenia. There will also be an interactive case discussion session as one of the highlights this year. We are confident that participants will gain much knowledge and skills through learning from the experts and exchanging ideas during the conference.

Entering its eighteenth year, the annual Regional Osteoporosis Conference will certainly be a rewarding and enjoyable chance to hear about updates on Osteoporosis. Come and explore this unforgettable experience in Hong Kong!

Dr. Eddie SL CHOW
President
The Osteoporosis Society of Hong Kong

Dr. Angus MW CHAN
President
The Hong Kong College of Family Physicians

Dear colleagues and friends,

Welcome to the 18th Regional Osteoporosis Conference (ROC 2017), which will be held on 6-7 May 2017 at the Hong Kong Convention and Exhibition Centre. Riding on the great success of the past Regional Osteoporosis Conferences, this year the Osteoporosis Society of Hong Kong (OSHK) is honored to co-organize the Conference with The Hong Kong College of Family Physicians (HKCFP).

The Organizing Committee of ROC 2017, chaired by Dr. Joanne LAM, has been working hard preparing an attractive scientific programme. Renowned local and regional speakers will join together to share their experience and inspire innovative ideas to other participants. Please download the Abstract Submission Form at www.oshk.org.hk. For the deadline and abstract instructions, please visit www.oshk.org.hk.

In Hong Kong!

Entering its eighteenth year, the annual Regional Osteoporosis Conference will certainly be a rewarding and enriching experience. The event promises to deliver state-of-the-art lectures in various aspects related to osteoporosis, including screening, drug and lifestyle management of osteoporosis, the role of family physicians, secondary prevention of fragility fracture, and the management of osteopenia. There will also be an interactive case discussion on common controversies.

The Osteoporosis Society of Hong Kong (OSHK) is honored to co-organize the Conference with the Hong Kong College of Family Physicians (HKCFP). The Osteoporosis Society of Hong Kong
