5th International Conference on Osteoporosis and Bone Research, 2010

Second Announcement

October 28-31, 2010, Shenzhen, China

Histomorphometry and Imaging workshop:

Organized by:
Chinese Medical Association (CMA)
Chinese Society of Osteoporosis and Bone Mineral Research, Chinese Medical Association (CSOBMR, CMA)
International Bone and Mineral Society (IBMS)
International Chinese Hard Tissue Society (ICHTS)

Co-organized by:
Asia Pacific Osteoporosis Foundation (APOF)
Chinese Society of Endocrinology, Chinese Medical Association
Chinese Speaking Orthopaedic Surgeon Society (CSOS)
Menopause Society of Chinese Society of Obstetrics and Gynecology, Chinese Medical Association

Local Co-Organizers:
Guangdong Province Medical Association
Shenzhen Medical Association
The Chinese University of Hong Kong
Guangdong Medical College
Guangzhou General Hospital of PLA Guangzhou Military Command
Shenzhen Second People Hospital
Peking University Shenzhen Hospital

Organization Websites:
http://www.csobmr.org.cn

Welcome Messages

Dear Friends and Colleagues,

On behalf of the Chinese Society of Osteoporosis and Bone Mineral Research (CSOBMR) of the Chinese Medical Association (CMA), the International Bone and Mineral Society (IBMS), and the International Chinese Hard Tissue Society (ICHTS), we are honored to invite you to the International Conference on Osteoporosis and Bone Research 2010 (ICOBR2010) to be held during Oct 28-31, 2010 in Shenzhen, China.

We will invite world-renowned professors and researchers to share their experience with us at the conference. Both educational and scientific programs will be arranged in the ICOBR2010. The meeting will offer all of us extensive review and update in the cutting edge researches in this promising field with a congress theme as “Frontiers in Musculoskeletal Research.”

With the involvements from the three world-influential scientific societies, CSOBMR of CMA, IBMS, and ICHTS, we believe the conference will cover all aspects of common interests and hot topics in the field of Osteoporosis and Bone Mineral Research.

Bordering with Hong Kong and Macau, Shenzhen is located in southern Guangdong province on the eastern shore of the Pearl River Delta Region, where the rivers Zhujiang and Sanjiaozhou converge to drain into the South China Sea. It is China’s second large economic zone, and also one of China’s most important trade and port city. Therefore, Shenzhen is often referred as the “Bright Pearl of South China.” The city’s temperate year-round weather, picturesque seashore, and well-preserved greenery earned the “International Garden City” award in 2000. October is one of the best seasons in southern China. You will have an amazing experience exploring the rapidly developing city of the World, Shenzhen, and nearby Hong Kong and Macau, get to know the Chinese culture in all aspects including history, religion and fine cuisine.

Looking forward to seeing you in Shenzhen.

Ling Xu, MD, MPH
President
Chinese Society of Osteoporosis and Bone Mineral Research of Chinese Medical Association

Roger Bouillon, M.D.
President
International Bone and Mineral Society

Ling Qin, Ph.D.
President
International Chinese Hard Tissue Society

Committees

Co-Presidents
Ling Xu (China), President
Roger Bouillon (Belgium), Co-President
Ling Qin (Hong Kong, China), Co-President

Executive Chair
Ling Yu (Beijing China)
Yi-Xian Qin (USA)

Secretary General
Weibo Xia (Beijing China)
Yongmao Jiang (Beijing China)

Organizing Committee
Ling Xu (China) (Chair)
Yi-Xian Qin (USA) (Co-Chair)
Steve Cummings (USA) (Co-Chair)
Eryuan Liao (Hong Kong, China)
Edward Guo (USA)
Fuyuan Liao (Hunan, China)
Guang Ning (Shanghai, China)
Huai Lin (Nanjing, China)
Jianmin Zhou (Guangdong, China)
Keji Chen (Beijing China)
Kechun Baloujian (USA)
Kechun Li (Guangdong, China)
Ling Qin (Hong Kong, China)
Mingqian Li (Shanghai, China)
Qi Yu (Beijing, China)
Roger Bouillon (Belgium)
Wei-Sim Chan (Macau, China)
Weimin Deng (Guangdong, China)

Scientific Committee
Weberster Jee (USA) (Chair)
Ling Yu (Beijing, China) (Co-Chair)
Qian Chen (USA) (Co-Chair)
Fuyuan Liao (Hunan, China)
Gongyi Huang (Beijing, China)
Hammin Zhu (Shanghai, China)
Henry Kronenberg (USA)
Hong-Wen Deng (USA)
Jian Reid (New Zealand)
Jane Aubin (Canada)
John Bierdzian (USA)
Ling Qin (Hong Kong, China)
Mingcai Liu (Tianjin, China)
Steve Cummings (USA)
Tom Clemens (USA)
Wei Yu (Beijing, China)
Xunwu Meng (Beijing China)
Xu Cao (USA)
Yipeng Wang (Beijing China)
Yi-Xian Qin (USA)
Zhenlin Zhang (Shanghai, China)

Local Committee
Weimin Deng (Guangdong, China) (Chair)
Feng Liu (Guangdong, China) (Co-Chair)
Helen Ding (Guangdong, China) (Co-Chair)
Ling Qin (Hong Kong, China)
Tie Wu (Guangdong, China) (Co-Chair)
Wei Wu (Guangdong, China) (Co-Chair)
Yinbiao Yu (Guangdong, China) (Co-Chair)
Zhongzi Yuan (Guangdong, China) (Co-Chair)
General Information

Date
Oct. 28-31, 2010

Venue
Shenzhen Convention Center and Expo, Guangdong, China

Conference Language
English

Theme
Frontiers in Musculoskeletal Research

Important Dates
Deadline for Early-bird Registration: Aug. 1, 2010
Deadline for Abstract Submission: July 15, 2010
Deadline for Advanced Registration: Sept. 15, 2010
Notification of Acceptance: Aug. 15, 2010

Certificate of Attendance
A Certificate of Attendance will be provided for all registered delegates

Visas
A visa is required for entry into the People’s Republic of China. Please contact your nearest Chinese Embassy or Consulate for visa application information and processing. An official letter of invitation from the Congress will be sent to you upon receipt of your registration fee to facilitate your visa application. Visa should be applied for at least 1 month before departure.

Money Exchange
The Yuan (RMB) is the official currency in China. After arriving you are recommended to exchange a small amount of money at the Bank of China counter near the Arrival Hall Exit for taxi fare etc. The exchange rate is about $1 USD = RMB 6.83 (March 1, 2010). In Shenzhen, major credit cards – Visa, Master Card and American Express – are accepted at most hotels, large restaurants and shopping centers

Certificate of Attendance
A Certificate of Attendance will be provided for all registered delegates

Time Difference
GMT+8 hours

Call for Abstracts
The organizers of ICOBR2010 welcome the submission of abstracts. Abstracts will be accepted for oral presentation, poster discussion or for publication only. Conference abstracts are planned to be published on BONE journal.

Abstracts topics
Advance Bone imaging
Bone marrow (Fat, Vascularity and Stem Cells)
Bone-Muscle Interface
Bone-Cartilage Interface
Cancer and Bone
Diabetes and Bone
Fracture Risk Assessment and Treatment
Male and Children Osteoporosis
Mechanical Loading and Exercise
Osteoblasts and Bone Formation
Osteocyttes and Bone Homeostasis
Osteoclasts and Bone Resorption
Osteoporosis Prevention, Treatments and Safety Features
Steroids and Bone

Means of Submission
All abstracts must be submitted electronically (online). Neither fax nor e-mail submission will be accepted. If you cannot access the abstract submission form below or have any questions, please contact the Secretariat.

E-mail: ICOBR2010@cma.org.cn

Acknowledgement of Receipt
An Acknowledgement letter will be sent to your registered email address immediately after you successfully submitting your abstract(s).
### Reviewing Procedure and Selection for Presentation

- Submitted abstracts will be reviewed by the Scientific Committee before they are accepted.
- Notification of abstract acceptance will be emailed to the author by Sept. 30, 2010.
- Abstract Preparation Guidelines
  1. Abstracts must be submitted in English.
  2. Use a font not smaller than 10-point for the text.
  3. Limit your abstracts to 400 words.
  4. Arrange your abstract as follows:
     - Title: brief and clear, do not indent
     - Authors: all authors’ names without degrees or titles
     - Institution, city and country where the study was performed, no postal address or code
     - Separate paragraphs of the Objectives or Aims, Methods, Results, Conclusions
     - Define each abbreviation the first time it is used in the text by placing in parentheses.
     - Do not include references in the abstract.
     - Please follow the sample abstract exactly

### Registration

### Cancellation Policy

Reservation cancellations must be sent to the Secretariat in writing.

- before Aug. 1, 2010 — 75% refund
- Aug. 2 - September 15, 2010 — 50% refund
- after September 15, 2010 — no refund
October 28, 2010, Thursday, 08:30am-12:00pm: Preclinical Animal Models of Bone Diseases (Ling Qin, Chair)

Venue: Translational Medicine Center in the Institute of Biomedical and Health Engineering of the Shenzhen Institute of Advanced Technology of Chinese Academy of Sciences.

Tentative program:

1. HuaZhu KE, M.D., Amgen Inc., USA. "Osteoporosis Models"  
2. Gang Li M.D., Ph.D., The Chinese University of Hong Kong School of Medicine, CHINA. "Osteoporotic Fracture Model"  
3. Qian CHEN, Ph.D., Brown University of Medicine and Rhode Island Hospital, USA. "Osteoarthritis Model"  
4. Ling QIN, Ph.D., The Chinese University of Hong Kong School of Medicine, CHINA. "Osteonecrosis Model"  
5. Xiao YANG, Ph.D., Development Genetics Research Lab, Military Medical Academy of China, CHINA. "Knock-out Animal Model for Musculoskeletal Research"  
6. Dengshan MIAO, M.D. Ph.D., Research Center for Development Genetics Research "Osteoporosis Models"  
7. Xiao YANG, Ph.D., Development Genetics Research Lab, Military Medical Academy of China, CHINA. "Knock-out Animal Model for Musculoskeletal Research"  
8. Guang NING, M.D., Ph.D., School of Medicine, NEW ZEALAND. "Recent Advances in Management of Osteoporosis"  
9. Yiming MU, Combating osteoporosis in Asia and China, "Osteoarthritis and Bone Health"  
10. Guang NING, M.D., Ph.D., School of Medicine, NEW ZEALAND. "Recent Advances in Management of Osteoporosis"  

October 28, 2010, Thursday, 14:00pm-15:30pm: Formation of Osteoporosis Centers

Plenary Speakers:

- Steven R. CUMMINGS, M.D., University of California School of Medicine and San Francisco Coordinating Center in Medicine and Epidemiology, USA. "Longevity and Bone: Mechanisms of Aging and Osteoporosis"  
- Qian CHEN, Ph.D., Brown University of Medicine and Rhode Island Hospital, USA. "Rheumatoid and Osteoarthritis in Cartilage and Bone Health"  
- Linda F. BONVILD, Ph.D., University of Missouri-Kansas City, School of Dentistry, USA. "Osteocyte and Bone Homeostasis"  
- Qian CHEN, Ph.D., Brown University of Medicine and Rhode Island Hospital, USA. "Rheumatoid and Osteoarthritis in Cartilage and Bone Health"  
- Steven R. CUMMINGS, M.D., University of California School of Medicine and San Francisco Coordinating Center in Medicine and Epidemiology, USA. "Longevity and Bone: Mechanisms of Aging and Osteoporosis"  

Venue: Translational Medicine Center in the Institute of Biomedical and Health Engineering of the Shenzhen Institute of Advanced Technology of Chinese Academy of Sciences.

"Immunology and RenalOsteodystrophy"
Meet the Professor (Chinese):

1. Kang YU, M.D., Peking Union Medical College Hospital, CHINA. "Nutrition Supplement and Food Safety in Prevention of osteoporosis"  
QI YU, M.D., Peking Union Medical College Hospital, CHINA. "New Perspective on HRT and Osteoporosis"

2. Zhenli ZHANG, M.D., Ph.D., Metabolic Bone Disease and Genetic Research Unit, Shanghai Jiao Tong University Affiliated Sixth People’s Hospital, CHINA. "Case Discussion: Diagnosis and Treatment of Metabolic Bone Diseases"

3. Wei-bo XIA, M.D., Ph.D., Peking Union Medical College Hospital, CHINA. "Case Discussion: Management after Osteoporotic Fracture"

Meet the Professor (English)

4. Elizabeth WU, M.S., BoneKEy Technical Editor, IBMS, USA. "BoneKEy: A Knowledge Environment for the Bone Field"

5. Steven R. CUMMINGS, M.D., University of California School of Medicine and San Francisco Coordinating Center in Medicine and Epidemiology, USA. "Issues and Pitfalls in Osteoporosis Clinical Trials"

6. John WILLIAMS, Ph.D., National Institute of Aging, NIH, USA. "Musculoskeletal Research at the National Institute on Aging"

7. Joan A. MCGOWAN, Ph.D., National Institutes of Health, USA. "Changing the Landscape for Osteoporosis Research and Public Policy in the United States"

8. David D. THOMPSON, Ph.D., Pfizer Global Research and Development, USA. "Bone Anabolic Agents in Fracture Healing"

Hot Topics

- Jane AUBIN, Ph.D., University of Toronto faculty of Medicine, CANADA. "ENU Mutagenesis for New Mouse Models of Human Bone Disease"
- W. Scott SIMONET, Ph.D., Discovery Research, Amgen Inc., USA. "Drug Discovery / Sclerosis"
- Xu CAO, Ph.D., John Hopkins School of Medicine, USA. "Coupling Bone Resorption and Formation"
- X. Ed GUO, Ph.D., Columbia University School of Engineering, USA. "Tibialcure Structure / Quality / Fracture"
- Kai-Ming CHAN, M.D., Orthopaedics & Traumatology, The Chinese University of Hong Kong School of Medicine, CHINA. "Tendinopathies and Management"
- Jay J. CAO, Ph.D., Grand Forks Human Nutrition Center, USA. "Nutrition, Fat, Inflammation and Bone Health"

Symposium A

1. Hong-Wen DENG, Ph.D., University of Missouri School of Medicine, USA. "Genetics of Osteoporosis: How / What To Do?"
2. Annie KUNG, M.D., University of Hong Kong, CHINA. "Novel Genetic Loci Association with Osteoporosis"
3. Shu-Feng LEI, Ph.D., College of Life Sciences, Hunan Normal University, CHINA. "Gene Network Analyses for Osteoporosis"
4. Wei-bo XIA, M.D., Peking Union Medical College Hospital, CHINA. "Clinical Features and Genetics Study on Hypophatemic Rickets"
5. Xu CAO, Ph.D., Chinese University of Hong Kong School of Medicine, CHINA. "MicroCT for Non-skeletal Applications"
6. James F. GRIFFITH, MBBCh, Chinese University of Hong Kong, Prince of Wales Hospital, CHINA. "MRI in Studying Fat and Osteoporosis"
7. Wei YU., Hong Kong, Prince of Wales Hospital, CHINA. "Drug Discovery / Sclerosis"
8. Wei-bo XIA, M.D., Peking Union Medical College Hospital, CHINA. "Clinical Features and Genetics Study on Hypophatemic Rickets"
